Making a regular donation to support our work

Help us to support parents and children throughout South London and East Surrey

Who we are

Welcare is a charity working with [parents and children](#) up to the age of 13 in South London and East Surrey. Our services are driven by our Christian values, and we strive to empower families and change lives for the better, offering practical and emotional support to overcome challenges.

The families we support face [difficult situations](#) due to domestic abuse and parental conflict, mental health, and emotional well-being issues, social isolation or the challenges caused by loss of income, and the cost of living crisis.

Our [dedicated and professional staff](#) work with individual children and their parents to build on the positive elements of family lives and to prevent problems from happening via [early intervention](#) and [breaking the cycles](#) that may become entrenched.

What we do

The focus of our work is to provide both [practical](#) and [emotional](#) support and advice.

We do this by:

- Individual Family Support
- Group work for parents
- Group work programmes for children
- Helping families access emergency and grant funding to provide immediate support

People we've helped: Myra & Mia

Mother and daughter Myra and Mia were referred to Welcare via their local domestic violence service after domestic abuse towards Myra by Mia's father.

Welcare group programmes for Myra - Strengthening Families, Strengthening Communities (a strengths-based parenting programme), and Mia - MySpace (for children who have experienced domestic abuse) helped them work with their peers to come to terms with the abuse and their feelings.

"I'm so much more confident and feel more able to understand Mia's feelings and how to help her – we're getting on much better now."

With Welcare's help, Myra and Mia have come a long way. Welcare also contributed to a CAFCAS report to support with contact arrangements with Mia's father, advocating for supervised contact. Mia has safe contact with her father, and is on a waiting list for a child mentor.

With your help and support, we can help more families like Myra's in their time of need. Your donation will make a lasting difference.

£10 could pay for the materials for a child attending our domestic abuse recovery programme MySpace

£25 could provide support for a child attending a With Respect course in school

£100 could enable a Family Support Worker to visit a parent in their home
