Making a regular donation to support our work

Help us to support parents and children throughout South London and East Surrey

Who we are

Welcare is the child and family support charity for the Diocese of Southwark, and we work with [parents and children](#) up to the age of 13 in South London and East Surrey. Our services are driven by our Christian values, and we strive to empower families and change lives for the better, offering [practical and emotional support](#) to overcome challenges.

The children and families we support face difficult situations due to domestic abuse, parental conflict, mental health issues, social isolation or the challenges of loss of income and the rising cost of living.

George & Lisa's Story

Lisa's six-year-old son George has Autism and displayed very challenging behaviour. Lisa, who lives with Multiple Sclerosis, had been injured twice and taken to A&E after George threw objects at her. Daily aggression, sleepless nights, and poor school attendance left her exhausted and isolated. They had been stuck in unsuitable emergency housing for two years and were struggling with debt. Lisa also faced ongoing coercive control and abuse from George's father, despite their separation, adding to her stress and vulnerability.

Welcare supported Lisa with positive parenting strategies, a safety plan, and liaison with school and health services. Welcare secured funding to help clear urgent utility debts and provided sensory equipment to help George sleep. Referrals were made to domestic abuse services, and a non-molestation order was put in place to protect them from George's father.

"Welcare made such a difference—life is happier and calmer for us."

Today, life is calmer. George attends school full-time, sleeps better, and enjoys social activities. Support from Welcare and safeguarding measures have transformed safety and wellbeing, giving this family the chance to rebuild their lives.

Services we provide

- **Individual one-to-one** family support and co-ordination of targeted help for families needing a multi-agency response.
- **Domestic Abuse Recovery Toolkit** - a group for children and their non-abusive parent that helps them to understand, better manage, and change their experience of living with the trauma caused by domestic abuse.
- **Capability in Schools** - an early intervention group work programme delivered in schools for children with emerging social and emotional support needs.
- **Parenting groups** including Strengthening Families Strengthening Communities, and Parenting Puzzle.
- **Caring Dads** - an evidence based group programme which aims to improve the parent-child relationship between fathers and their children. It is specifically for men who have abused and neglected their children or exposed them to abuse of their mother.
- **Group Work Programmes for babies and children** from our East Surrey Centre, and summer holiday programmes and activities.
- Helping families access **emergency and grant funding** to provide immediate support.
